

NV-WIPS Wireless iPod Dock System

The included NV-CMR6B 3.5mm to RCA stereo audio cable provides audio to the NuVo System as one of its six sources.

A rotary switch at the NuVoDock and receiver set a specific source address (1-6) for the NuVoNet communication.

The included NV-NC1 CAT5 network cable enables complete iPod communication with the NuVo System.

Each of the system's zone Control Pads are connected to the back of the Grand Concerto's EZ Port or Essentia AllPort.

The NuVoDock and receiver communicate audio signal and metadata wirelessly to the NuVo System.

The NV-PSW12A AC Power supply provides the necessary power and recharges the iPod.
